December 2010

Dear Nathan,

Please see the important announcements regarding our last day of school (before Winter Break) this Thursday and the enrollment policy for next school year. Please feel free to forward this notice to friends that might be interested in attending JAA in the future. (You may use the link at the bottom of this email.) Remember that every Tuesday at 2:00 p.m. we hold tours of the school which include a question/answer session. No appointment is necessary. Invite interested parties to attend a tour and get to know our school better.

2012-2013 Enrollment

For our 2012-2013 school year, we will be holding an enrollment lottery for the available spots in all grades. (This policy is based on our Charter Petition and federal guidelines.) The lottery will be held on March 5, 2012. We will begin accepting online applications for the 2012-2013 school year on January 1, 2012 and will continue accepting them until February 29, 2012 at 11:59pm. All applications received during the appropriate time frame will be placed in the lottery and drawn. Once all available spots have been filled, we will continue to draw for order on the waiting list. Any applications received after February 29th will be added to the end of the waiting list in the order received.

There is preference given, within the lottery, in this order:

- a. Siblings of existing JAA students
- b. Children of JAA faculty
- c. Students who reside in the Loomis Union School District (our authorizing district)

Please note all the required elements for an application to be complete and considered for enrollment:

1. Complete and correct online application (www.johnadamsacademy.com)

John Adams Academy is open to any student, regardless of resident city. If an enrollment spot is available, the family will be contacted by email and allowed 72 hours to accept or decline the spot. No reply within that 72-hr time frame will result in being moved to the bottom of the wait list. Note: a child can be admitted to kindergarten for the 2012-2013 school year if they reach age 5 by November 1, 2012.

Current John Adams Academy families will receive a form in the first part of February, requesting their student's intent for continuation for the 2012-2013 school year. Each of these students is guaranteed placement, as long as their positive response on this form is returned.
